iPad Essential Agreement

I agree that.....

I will not use my iPad before school, or during recess or lunch without permission

I will not use another student’s iPad or change their settings

I will carry my iPad to and from school inside my schoolbag

I will not put my iPad down on the floor

I will not airdrop without permission

I will only use the iPad when instructed or when I seek permission, and only use the apps that I need for the current learning task

I will keep my hands off my iPad unless it is being used for a learning task

I will be well-mannered when communicating with other people over apps and emails

I will keep my iPad in its case

I will let a teacher know if I see anything on an app or website that is not suitable for children

I will always use earphones/headphones when sound is required, unless instructed otherwise

I will only use teacher-approved apps at school unless permission is given from a teacher

I will never photograph or record students or teachers without their permission

I will know where my iPad is at all times

I will come to school with my iPad fully charged

I can be trusted to use my iPad responsibly and respectfully; to care for my iPad sensibly; and make smart learning choices when using my iPad.
